

John Davis

written by Caroline CHEVASSUS

John Davis was born in 1543 at Sandridge. His family from Devonshire.

He discovered the back parts of America in 1591 and the Falkland Islands in August 1592.

His was forced to kill about 14 000 penguins for food on the falkland Islands.

After his return in 1593 he published a book "the seaman's secrets" in 1594.

He was killed by Japanese pirates in December29, 1605 at Bintang near Sumatra.
