

# Vasco de Gama

Written by Amizet Steve

He was born in 1469 in Sines. He was a Portuguese navigator. Vasco de Gama made an expedition and left the Portugal in July 1497. He put into port 8<sup>th</sup> november at Sainte-Hélène during one week. On the 19<sup>th</sup> may, he arrived in Calicut . He left Calicut 27<sup>th</sup> august 1498.

On his second trip, Vasco de Gama returned on India on february 1502 with 23 boats. When he arrived in India, he bombarded the city. Finally, he came back in Lisbonne on december 1503. In 1524, he became Portuguese India viceroy. He died four months after his coronation in Cochín
